While every care has been taken in the compilation of this guide, the publishers accept no responsibility for any errors contained herein. Always confirm prices with the relevant dealer.

NEW CAR PRICE LIST

Readers Notice

Whilst every care has been taken in compiling this guide from information received from distributors on or before the 15.01.2011 no responsibility can be accepted by the publishers or staff of Automotive Publications Ltd. for any errors or omissions. Because prices etc. can change, we suggest that once you have made a short-list of cars that you are interested in, you should confirm prices and exact specifications with the dealer when shopping for your new car. In our guide, 'Prices start at:' refers to the lowest price of the passenger versions in that model range © No part of this new car guide may be reproduced, stored in a retrieval system or transmitted in any manner without the specific permission in writing of Automotive Publications Ltd.

Great care and attention has gone in to producing this comprehensive price list.

We hope that this guide has been useful to you in choosing your next new car.

We hope your next purchase lives up to all your expectations.
